REPORT ON MOCK INTERVIEW

Topic: Use of Social Media - Boon or Bane

Date: 26th August, 2025

Venue: Seminar Hall, Pradeep Memorial Comprehensive College of Education, Delhi

The objective of mock interview was organized to develop communication skills, confidence and awareness among student-teachers on the contemporary issue of social media and its impact on education and society.

The program started at 11:00 AM with a welcome address by Dr.Ritu Malhotra. She highlighted the relevance of the topic in present times.

B.Ed students participated as interviewees. The interview panel questioned the students on various aspects:

- Positive impacts of social media in education, connectivity and information sharing
- Negative effects like addiction, distraction, cyberbullying, mental health issues and misinformation
- Role of teachers and parents in guiding students for responsible use of social media
- Digital discipline and balance between online and offline life

Students presented balanced views with strong arguments. Some argued that social media is a Boon for collaborative learning and knowledge dissemination, while others argued it is a Bane when misused.

The mock interview was highly interactive and enriching. Students enhanced their interview skills, body language, and art of presenting arguments. The session concluded that social media is a powerful tool; its effect as boon or bane depends upon its usage.

The program ended with a vote of thanks at 12:30 pm by Rita Chowdhury.

Report on Nukkad Natak

Based on theme of “Drugs Awareness”

A Nukkad Natak was organized in the college premises on 29th September 2025 with the objective of creating awareness on the issue of drug addiction. The Principal, faculty members, and students were present to witness the performance.

The natak was facilitated by Ms. Tehseen, who introduced the theme and provided a link between the different scenes. Ms. Kajal enacted the role of a drug addict, effectively highlighting the adverse effects of substance abuse. Ms. Priya, as the sister of the addict, portrayed the emotional stress faced by family members, while Ms. Shehzadi, in the role of a friend, depicted the negative influence of peer pressure. Ms. Bharti, playing the teacher, emphasized the guiding and supportive role of educators in preventing such issues. Ms. Himanshi, as the doctor, sensitized the audience about treatment, rehabilitation, and recovery measures.

The Principal(Dr. Bharti Dimri) appreciated the efforts of the participants and underlined the importance of organizing such awareness programmes for the holistic development of students. The faculty members also commended the students for their effective performance and teamwork.

The Nukkad Natak concluded successfully, leaving a strong impact on the audience. It served its purpose of spreading awareness against drug abuse and encouraging a collective sense of responsibility among the youth.

Report

On Artificial Intelligence - Threat or Opportunity

Date: 9th September, 2025

Venue: Assembly Hall, Pradeep Memorial Comprehensive College of Education.

Chief Guest: Mr. I.S. Suri

Pradeep Memorial Comprehensive College of Education organized a Group Discussion activity on the highly relevant topic "Artificial Intelligence - Threat or Opportunity" on 9th September, 2025. The objective of the activity was to develop critical thinking, communication skills, and awareness about Artificial intelligence among the students.

The program commenced with a warm welcome of our esteemed Chief Guest, Mr. I.S. Suri. The Principal Dr. Bharti Dimri extended a floral welcome and introduced the guest. Mr. Suri shared his valuable insights on the evolution of Artificial Intelligence and its growing role in the field of education.

Highlights of the Group Discussion:-

Students were divided into groups and discussed both sides of the topic.

Points in favour of AI as an Opportunity:

- Personalized learning and smart content for students.
- Reduces workload of teachers through automation (evaluation, attendance).
- Makes education accessible for Divyang students through assistive technology.
- Helps in skill development and future job creation.

Points as a Threat:

- Risk of job displacement for teachers and other professionals.
- Data privacy and ethical issues.
- Over-dependence on technology leading to loss of creativity and human touch in teaching.
- Digital divide - not accessible to all students.

Mr. I.S. Suri appreciated the students for their active participation and balanced views. He concluded that AI is a tool, and its impact depends on how we use it. He emphasized that AI can never replace a teacher, but a teacher using AI can replace a teacher who does not. He motivated students to learn and adapt to AI technologies.

Report on Group Discussion (Should Homework be banned)

Event: Group Discussion on "Should Homework be Banned"

Date: 3rd October, 2025

Venue: Assembly Hall, Pradeep Memorial Comprehensive College of Education

Chief Guest: Dr. Jai Bhagwan

The objective of this discussion is to develop critical thinking and communication skills among B.Ed. students regarding the relevance of homework.

Proceedings:

The discussion was conducted in two groups - For and against the motion.

- For Ban: Causes stress, reduces play time, promotes rote learning, and increases inequality.
- Against Ban: Reinforces learning, builds discipline, develops time management, and helps in assessment. Dr. Jai Bhagwan concluded that the focus should be on the type of homework - creative and need-based as per NEP 2020, not on banning it.

The session was interactive with active student participation and it was ended with a vote of thanks.

REPORT ON CELEBRATION OF INTERNATIONAL LITERACY DAY

Date: 8th September 2025

Venue: Pradeep Memorial comprehensive college of education

Organized under: ULLAS – Understanding Lifelong Learning for All in Society

Theme: “Promoting Literacy for a World in Transition”

As part of the week-long celebration of ULLAS Literacy Week (1st–8th September 2025), International Literacy Day was celebrated on 8th September 2025 at PMCCE .

The day was observed to raise awareness about the importance of literacy as a fundamental human right and to promote inclusive and equitable education among all segments of society.

Objectives :

To promote awareness regarding the importance of literacy in transforming lives.

To engage faculty, students, and community members in literacy-related activities.

To encourage participation in the ULLAS initiative and contribute to the national vision of a literate India.

Activities Conducted:

(1) Poster-Making Competition:

Students expressed their creativity through posters on topics like “Literacy for All,” “Each One Teach One,” and “Learning Never Ends.” wherein three students got prizes.

(2) Nukkad Natak (Street Play):

Theme: “Literacy is Light – □□□□□□ □□ □□□□□□□□”

The Nukkad Natak was performed by a group of students in the college premises.

The storyline focused on the transformative power of literacy in eradicating poverty, empowering women, and enabling informed citizenship.

Characters included an illiterate family struggling with basic needs and how literacy helped them progress and become self-reliant.

The play was performed in Hindi for easy understanding and connection with the local audience.

(3). One-Minute Extempore Competition:

The extempore competition was conducted among students on the spot with topics related to literacy, education, and empowerment.

Each participant was given one minute to speak on randomly selected topics such as:

“Literacy is the Foundation of Freedom”

“Each One, Teach One”

“Books: Our Best Friends”

Report on Swachh Bharat Abhiyan

To uphold the vision of the Swachh Bharat Abhiyan and instill civic responsibility among future educators, Pradeep Memorial Comprehensive College of Education organized a comprehensive Swachhata Drive on September 12, 2025.

The core objective was to promote institutional hygiene, eliminate single-use plastics, and foster community awareness regarding environmental cleanliness and waste management.

The event commenced at 9:30 AM in the college auditorium.

All faculty members, staff, and student-teachers undertook the Swachhata Pledge, committing at least 100 hours per year to voluntary cleanliness activities and community service.

Students formed designated teams to clean and sanitize diverse zones across the campus, including lecture halls, the central library, administrative corridors, and the canteen area. Wet and dry waste were systematically segregated into labeled disposal bins.

Student-teachers took the initiative beyond campus grounds by marching through the neighboring community with handmade banners, placards, and posters displaying slogans such as "Clean Campus, Green Future" and "Segregate Waste, Save Earth."

The Swachhata Drive concluded successfully with a vote of thanks delivered by the Event Coordinator, acknowledging the active participation and dedication of all students and staff. The event drew an inspiring close with the National Anthem.

Report on Workshop on Theater & Art Education

On, 16th September 2025, Pradeep Memorial Comprehensive college of Education organized a workshop on “Theatre and Art Education”. Art education has become an integral part of the college curriculum. These workshops provide students with a creative outlet to explore their artistic talent and develop their craft skills. The setting of the art and craft workshop is an essential aspect of the learning process.

The instructor’s approach to teaching plays a crucial role in the success of the workshop. The instructor should be knowledgeable and experienced in the art and craft field, and they should be able to demonstrate different techniques to the students. The instructor Ms.Asha should also provide hands-on guidance to the students, ensuring they understand the techniques and can apply them to their art pieces. This approach helps students develop their skills and improve their confidence in their abilities. The workshop should be designed to encourage creativity and exploration, allowing students to express themselves freely. The final products created by the students are a reflection of their creativity and the skills they have developed through the workshop.

In conclusion, an art and craft workshop provides students with an opportunity to develop their artistic skills and explore their creativity. The setting of the workshop, the instructor’s approach to teaching, and the students’ experience in the workshop are all essential components of the learning process. A successful art and craft workshop can inspire students to pursue their passion for art and craft and develop their skills further.

Report On Yoga Workshop

A Yoga Workshop was successfully conducted at Pradeep Memorial Comprehensive College of Education on Tuesday, 23rd September 2025, in the college premises. The event aimed to promote physical well-being, mental clarity, and stress management among students through the ancient practice of yoga. All students were informed in advance about the event and were instructed to bring their yoga mats and wear comfortable clothing. They were also advised to have a light breakfast before attending the session. Attendance was made mandatory to encourage maximum participation. The workshop began in the morning with an introduction to the importance and benefits of yoga in daily life. A trained yoga instructor Mr. Rakesh guided the students through a series of asanas (postures), pranayama (breathing exercises), and short meditation sessions. The atmosphere was calm and focused, allowing students to fully engage with the practices. Students actively participated in the session and reported feeling refreshed, energized, and relaxed after the workshop. The faculty also took part in the session, setting a positive example for the students. The workshop concluded with a short feedback session where students expressed their appreciation for the initiative and suggested having such sessions more frequently.

Overall, the yoga workshop was a great success, fostering awareness about health and mindfulness among students and staff alike.

**A Report
On
Swasth Nari & Sashakt Parivar Abhiyan**

Date: 29th October 2025

Pradeep Memorial Comprehensive College of Education, in collaboration with the Indian Red Cross Society, organized a Health and Wellness Awareness Workshop on 29th October 2025 in B Block. The program focused on three important areas of female well-being: mental health, general health, and menstrual hygiene.

The session was initiated by Dr. Ritu Malhotra by welcoming members of Red Cross Society. The sessions were led by expert counselors Ms. Uma Khan (Coordinator), Ms. Harshita (Psychologist), and Ms. Gayatri (Presenter).

- Mental Health Awareness – The counselors emphasized stress management, overcoming anxiety, and the importance of family and peer support. Students were encouraged to seek professional help when needed.
- General Health Awareness – The session highlighted healthy habits such as balanced nutrition, personal hygiene, physical fitness, and preventive check-ups.
- Menstrual Health Awareness – Experts addressed myths and misconceptions related to menstruation, guided students on safe practices, and encouraged open discussions to break stigma.

The workshop included short educational videos, interactive discussions, and Q&A rounds, which made the sessions engaging and student-friendly. Students actively participated and openly shared their views. The students took a pledge to adopt healthy practices, support peers, and spread awareness in their families and communities.

At the end, Dr. Bharti Dimri (The Principal, PMCCE) applauded the session and expressed gratitude to the Indian Red Cross Society team for their valuable contribution in empowering young females to lead healthier and more confident lives. The session was concluded by Vote of thanks by Ms. Rita Chowdhury (Assistant Professor)

Report on CTET Workshop

CTET Workshop from 10th November to 14th November 2025

Pradeep Memorial Comprehensive College of Education organized a five-day intensive workshop from 10th to 14th November 2025 to prepare prospective teachers for the Central Teacher Eligibility Test (CTET). The objective was to build conceptual clarity, break down pedagogical patterns, and equip candidates with effective test-taking strategies aligned with NEP 2020.

Key Highlights

Child Development & Pedagogy (CDP): In-depth analysis of core learning theories (Piaget, Vygotsky, Kohlberg) and inclusive education practices.

Subject Pedagogy: Focused sessions on Language I & II, Environmental Studies (EVS), Mathematics, and Science/Social Science, emphasizing NCERT curriculum mapping.

Practice & Strategies: Comprehensive review of previous years' question papers (PYQs) and elimination techniques for multiple-choice questions (MCQs).

Mock Drill & Valedictory: A full-length timed mock test was conducted on the final day, followed by performance feedback, a valedictory ceremony, and distribution of certificates.

Outcome

The workshop enhanced trainees' confidence in handling scenario-based pedagogy questions and improved their time-management skills (150 questions in 150 minutes). The event concluded with a formal vote of thanks to the faculty and organizers.

Sports Day Celebration

Date: 29th August 2025

Venue: Play Ground of PMCCE

Occasion: Birth Anniversary of Major Dhyan Chand

On 29th August 2025, Pradeep Memorial comprehensive college of education celebrated National Sports Day with great enthusiasm and patriotic spirit to mark the birth anniversary of the legendary hockey player Major Dhyan Chand, also known as the "Hockey Wizard of India."

The event commenced with a special assembly, where students and faculty gathered to pay tribute to Major Dhyan Chand for his remarkable contribution to Indian sports. A pledge was taken by all participants to promote fitness, fair play, and sportsmanship in daily life. The pledge inspired everyone to recognize the importance of physical activity and a healthy lifestyle.

One of the main highlights of the celebration was the Tug of War competition, which saw enthusiastic participation from both students and faculty members. The event was filled with cheers, excitement, and team spirit, creating a lively and energetic atmosphere. It was not just a game, but a symbol of unity, strength, and determination.

The Principal addressed the gathering and spoke about the importance of sports in student life, highlighting how discipline, teamwork, and perseverance learned on the field contribute to overall personality development. Teams were divided and named after iconic sports persons.

The event concluded with the distribution of participation certificates and a vote of thanks by the Sports Department. It was a day of inspiration and encouragement, reminding everyone of the crucial role sports play in building a healthy and progressive nation.
