Report of

Faculty Development Program

On

“Qualitative Research in Education”

(From 12th February to 16th February, 2024)

The Faculty Development Program on “Qualitative Research in Education” was carried out with an objective of developing right approach towards research design and methods, to achieve the proficiency to analyzing quantitative and qualitative data.

The first day of the FDP started with lamp lightening by the resource persons. A formal welcome was done by Dr. Sunil Kumar Pandey, Assistant Professor. Then Principal Dr. Bharti Dimri welcomed the resource person and addressed the faculty members. The session was taken by Dr. Sandeep Kumar, Assistant Professor, Delhi University on “Qualitative Research-Perspectives and Challenges”. Good ideas were shared by the speaker of the day.

Second day began with lamp lightening and resource person Prof.I.S.Suri shared his vision on “Orientation about traditions of inquiry namely Biography, Phenomenology and Grounded Theory”. The session was worthy to listen and added novelty of thoughts of research.

Third day the theme was “Ethnography-Proposal writing, Data Collection and Analysis”. It was taken by Dr. Naresh, assistant Professor from National Institute of Educational Planning and Administration. Sir shared the experiences and challenges of ethnographical research and described in depth about the phenomenon. Session was interactive and very useful.

Fourth day session was on “Case study- Proposal writing, Data Collection and Analysis”. It was taken by Dr. Niradhar Dey, Assistant Professor from IGNOU. Session was full of knowledge saga and creative ideas.
